

# WITNESS FOR THE THIRD MILLENNIUM

The Day of Pentecost signaled the emergence of a new people of God drawn from all tongues, tribes, and nations, yoked onto the history of Israel.

What are the challenges and possibilities for such a Pentecost catholicity for the 21st century world Christian movement?

In the fifth annual Nevin Lectures, Prof. Amos Yong will explore these questions in dialogue with Spirit-movements pentecostal, charismatic, and other renewalist groups.

His lectures will sketch a fresh Pentecostal ecumenism that will be relevant to and engaging of our dawning third millennium global context.
